<p>A new cleaner for dry cleaning contains 3C unsatd.  chlorofluorohydrocarbons, pref. one or a mixt. of  1-chloro-2-fluoropropene, 2,3-dichloro-3,3-difluoropropene,  1,1-dichloro-3,3,3-trifluoropropene,  1,2-dichloro-3,3,3-trifluoropropene,  1,3-dichloro-1,3,3-trifluoropropene,  1,3-dichloro-2,3,3-trifluoropropene,  3,3-dichloro-1,1,3-trifluoropropene, and  3,3-dichloro-2,3-difluoropropene. The cleaner opt. contains at least  one of hydrocarbons, alcohols, ketones, halogenated hydrocarbons,  and surfactants.  USE/ADVANTAGE - The cleaner has high detergency and  dissolving power comparable with that of conventional R113, without  impairing plastics and metals (e.g., buttons and ornaments).
